

## Joel E. Ferris High School

HOME OF THE SAXONS

Hello Vancouver bound Ferris music families!

TODAY we have begun handing out permission slips for the Vancouver trip. We are asking that those permission slips be returned WITH the proper documentation that we need to travel across the border. That information is below. This is due MAY 1<sup>ST</sup>. Students will not be able to sign up for a bus without this documentation, so the sooner it is in the better! I have attached a copy of the permission slip to this packet.

We will soon have an itinerary published to our websites where you will be able to see all of the great activities students will get to participate in as a part of this trip.

Students will need one of the following with them to get across the border and back:

- US Passport Book or Card (Students will keep the ID on their person, a photocopy of it will be with directors)
- Enhanced Washington Driver's License or ID card: (Students will keep the ID on their person, a photocopy of it will be with directors)
- A CERTIFIED copy of a student's birth certificate (a photocopy will not do; we need the certified copy from the city or county where the student was born. The turnaround for Spokane county can be quick, but not always! If your student wasn't born in Spokane county now is the time to get that together! Directors will keep these certified copies in a binder on the busses)

Students will also need to have a student ID with them on the trip to show proof of enrollment at Ferris High School.

If your student has a Permanent Resident Card (Green Card), that will need to be with them as well

Please reach out with questions if you have any, and we look forward to our trip!!!!
